

THANKS PARTNERS

Loto-Québec remains the proud title sponsor of the Gatineau Hot Air Balloon Festival for its 29th edition. As always, the Casino Lac-Leamy stage will resound with different talents: Véronic Dicaire, Brigitte Boisjoli, Annie Villeneuve, Élisabeth Blouin-Brathwaite, Valérie Carpentier, Gregory Charles, Mario Pelchat, Dan Bigras, Martin Deschamps, Maxime Proulx, Marc Dupré, PA Méthot, Mike Ward, Dominic Paquet, Julien Tremblay, Martine St-Clair, Men Without Hats, Renée Martel, Luce Dufault, Laurence Jalbert, Guylaine Tanguay, Annie Blanchard, Valérie Carpentier and many mores!

In the spirit of solidarity, which is one of its most fundamental values, Desjardins has been backing the Festival since the very beginning. This year once again, this tremendous partnership will bring you the nine hot air balloon flights, the lift-off area, the Aérostation and both the “Meet the pilots” and “Exploring a hot air balloon” activities. As well, Desjardins will once again offer special access to the best views of the lift-offs thanks to its Desjardins path and observatory. This is what you call a partnership that is as solidly bound as a hot air balloon to its basket.

SAQ

The SAQ brings you a very special selection from among its thousands of products. You will get to sample its wares throughout the Festival at its bistros, two of which will be set up with terraces, food and an awning, as well as a view of the Casino Lac-Leamy stage. A glass in one hand is a sure way to add to your day.

This year once again, Hydro Québec will give you the opportunity to discover several up-and-coming artists, and will present some well-known artists to which only this stage can do justice. Thanks to this partnership, you can look forward to some delightful and true quality moments. Stay tuned for the announcement of the hot new program lineup.

A big thank you to our institutional partners!

MICHEL QUESNEL
PHARMACIEN

Michel Quesnel, pharmacien, once again offers us a way to wrap up a day at the festival in style. A spectacular fireworks display will be brought to our community thanks to the talented Royal Pyrotechnie, the most successful fireworks firm in Canada! This show will dazzle kids of all ages on the Saturday night. Michel Quesnel also supports families by contributing to the infant care stations.

Tim Hortons.

Tim Hortons is always on hand to give volunteers and festival-goers a little help waking up in the morning, and a little boost or warmth when they need it during the day, with our locals' favourite coffee. Tim Hortons also provides a comfortable picnic area for festival-goers!

PEPSICO

Pepsico is the way to go when you need to rehydrate during the Festival. Serve yourself one of their world-renowned products such as Pepsi, Gatorade or Aquafina, on its own or with your meal. These products will be available at all food concessions.

MOLSON
CANADIAN

Molson Canadian will be on hand throughout the Festival. Relax and refresh yourself with a Coors Light or Molson Canadian at the different bars around the site, or at the Molson Bar, featuring a terrace.

Location d'outils
SIMPLEX

The Festival will be fast and efficient to set up thanks to Simplex, the official supplier of tools and equipment, and a solid and reliable family business.

DORMANI

Thanks to Dormani Nissan / Dormani Infiniti, anyone can take a memorable hot air balloon ride through the Festival at any time of the year. Soar over the National Capital in the winter as in the summer, and discover the heady feeling that comes with this unique experience!
